Secondary School Leaving Certificate (SSLC)

Victory Matriculation Higher Secondary School, Panchanathikulam (2017 – 2018) | 74%

PROJECTS SNAPSHOT

UG MINI PROJECT

TITLE : “MEDICAL MANAGEMENT SYSTEM FOR HOSPITALS”

DURATION : DEC 2022-MAY 2023

DESCRIPTION : The main idea of this project is to update the real time vacancies of bed in every hospital using block chain technology. So that the user can get the up-to-date data of bed vacancies even online which will be very useful in emergency times.

UG MAIN PROJECT

TITLE : “A DIGITAL FORENSIC TOOL FOR IDENTIFYING CRIMINALS THROUGH SKETCHING AND FACIAL RECOGNITION”

DURATION : JAN 2024 - MAY 2024

DESCRIPTION : The proposed system aims to improve law enforcement efficiency by creating accurate face sketches of suspects without special training or artistic skills. It features a drag-and-drop interface and deep learning algorithms for automatic matching against law enforcement databases. AWS Rekognition is used for deep learning algorithms, learning from previous sketches and suggesting relatable facial features. The system also allows for the upload of previous hand-drawn sketches.

INTERNSHIP

- **Android App Development Intern – NSIC, Chennai**
(July 10 – July 17, 2023) (Short-term training program)
- **Java Full Stack Development – QSpiders, Chennai**
(Completed Training in Java, SQL, Web Development)

TECHNICAL SKILLS

- Mobile App Development : Dart | Flutter (Android, iOS) Development
- Web Development: HTML, CSS, JavaScript (Basics), SQL
- Database & Backend: Firebase, MySQL, REST APIs
- Tools & Platforms: Android Studio, Git, Figma, Adobe Illustrator, Photoshop
- State Management (Flutter): GetX, Provider

LANGUAGE PROFICIENCY

- Dart | Flutter
- Firebase
- Java
- MySQL
- HTML, CSS

INTERPERSONAL SKILLS

- Communication Skills
- Leadership
- Always willing to learn.
- Environmentally adjustable

SOFTWARE PROFICIENCY

- Android Studio (Flutter Native App)
- Figma (UI)
- Adobe Photoshop & Adobe Illustrator
- WordPress (Blog & Web deployment)
- Git | GitHub

HOBBIES

- Designing Posters
- Video Editing
- Playing Video Games
